

The world's largest curated cocktail bar directory.

BarMagazine pairs a global bar directory with magazine journalism and one of the largest bar-industry audiences on Instagram. Cocktail travelers use it to decide where to drink; bar professionals use it to follow the industry.

Built to be found

Profile pages are SEO-optimized and compete for "best bars in ..." searches in 163 cities.

A page bars actually use

Featured profiles carry the full drinks menu, gallery and booking details. Many bars use theirs as their main website.

An audience that orders cocktails

Readers are cocktail travelers and bar professionals, the same audience behind our 88,000 Instagram followers.
